

What is your part in reaching the world for Christ?

## PRAY

Please pray for BMFP missionaries as they represent you and your church around the world. Their needs are great, and they need your prayers.

## GIVE

There is only one way to express it...it takes funds to keep an organization like BMFP on the front lines of the spiritual battle, God has ordained human instrumentality to provide the necessary funding for His work.

## GO

There are literally millions of forgotten peoples around the world. Perhaps God would lead you to take the Gospel to someone who has never heard the good news of Jesus Christ.

# BAPTIST MISSIONS TO FORGOTTEN PEOPLES CANADA

*Providing Global Opportunities  
for Innovative Ministries*

**BMFP  
CANADA**

Established 1995

Dear Christian Friends and Co-Laborers with Christ:

Greetings and God bless you on behalf of our staff, and the many missionaries serving the Lord Jesus Christ with Baptist Missions to Forgotten Peoples.

BMFP is a non-profit, local church centered organization primarily servicing the Independent Baptist Church movement in North America as a missionary sending agency. Since our inception, our mission family has been blessed of the Lord in growth and reach across this world.

Our primary direction and purpose is church planting world-wide. BMFP provides missionaries with an avenue for implementing innovative ministries in reaching the several thousand pockets of "forgotten peoples" in the world with the Gospel of Jesus Christ. You may be asking yourself, "Who are the forgotten peoples?" They are those needing the Gospel that we often pass by on our way to the traditional mission fields of the world. We divide forgotten people into four basic categories:

**Ethnic:** These are geographically transplanted people. The major cities of our world have become multi-cultural. By starting international churches within these cities, we can reach the world with the Gospel.

**Social:** These forgotten people are teenage runaways, alcoholics, drug addicts, those incarcerated in our prisons, the elderly living in continual care homes and those who are physically and mentally challenged.

**Vocational:** This group consists of those, who because of their vocation, are often overlooked with the Gospel. Included among them are the men and women serving in the armed forces. Over 40% of missionaries now serving with BMFP were saved and/or called while serving in our American military.

**Educational:** National pastors, evangelists and teachers are often overlooked in our global missions training strategy. Most have no access to local training and 80% of those coming to America for training never return to their own country. BMFP's Bible Institute Ministries take the training to them by planting institutes worldwide and providing assistance and quality curriculum to local churches.

BMFP missionaries circle the globe bringing hope to forgotten ethnic groups, teenage runaways, alcoholics, prisoners, military personnel and society's disadvantaged and overlooked.

# GLOBAL EVANGELIZATION THROUGH THE LOCAL CHURCH

## BAPTIST MISSIONS TO FORGOTTEN PEOPLES CANADA

"for thou shalt go to all  
that I shall send thee, and  
whatsoever I command  
thee thou shalt speak."

JEREMIAH 1:7B

Baptist Missions to Forgotten Peoples was founded in 1980. BMFP stands firmly upon the Word of God and the distinctives for which Baptists have been known for centuries.

BMFP shares the heartbeat of God for missions with the local church. Understanding missions is a team effort is a foundation of our missions philosophy.

BMFP is unique among Baptist mission agencies. Our philosophy embraces innovation and flexibility in ministry as we labor with the local church in The Great Commission.

BMFP is a family. We are committed to not losing a personal touch with our missionaries. They are real people with real needs and concerns. Please pray for them.

Baptist Missions to Forgotten Peoples was established in Canada in 1995 under the leadership of Dr. William Hiltz. By 2012 BMFP Canada had grown to include 15 missionary families serving in Canada and on the foreign field, and dozens of supporting churches across the nation. We are continuing to build on that strong foundation as we look to the future.
