

*Europe is an extraordinary place where History comes alive as you walk the streets!*

*Centuries ago, the Gospel spread like wildfire across Europe and produced some of the greatest preachers ever known. Yet, decades of neglect have left Europe steeped in modernism, humanism, and religion.*

*Europe's 50 countries, 87 people groups and 700 million souls are in desperate need of missionaries who, like those great men of old, are willing to give of themselves and go.*

*Without a doubt, there is a place for you. Please help us bring the message of hope and salvation back to Europe!*

## Why Should I Consider Europe?

Missionaries are needed urgently across Europe. The numbers are staggering, the need is great, and the prospects for ministry are outstanding. Major cities with millions of people are waiting to hear the gospel of Jesus Christ for the first time. Will you pray for these lost souls? Let the Lord speak to you, and answer to the call to reach Europe with the Gospel.

Imagine the impact the Lord would have if you allowed Him to use you to reach one of these people groups!

## Is It Hard to Get Into Europe?

European countries are mostly open to missionaries now. However, with growing Muslim influence and fear among governments, access to many countries may quickly become limited. Never has there been a greater need or opportunity to reach these 87 people groups than today!
